Previous Minutes- July minutes read & accepted Vogel & Krile

Treasurers' Report

Checking \$2337.27 Savings \$3882.24 Treasurers Report read & accepted Campbell & Krile

Committees Report

Fundraising committee to meet to discuss a fundraiser in the spring. Possibly going with Superior Photos and also a breakfast vs. hot meal the day of Foltz Annual Spring Sale (April 3rd). Vogel, D. Beery, J. Irwin

February 18th 2012 was our last fundraiser with Superior Photos.

Old Business

MDA Fill the Boot was a success. We raised \$1347.00.

Pop Machine- Ours is down and has been for quite a while. Scott Fetty to research buying another used machine to avoid having to get into any contract with pop machine distributors.

New Business

Nominations for 2015 Officers will be extended to November meeting due to not having a meeting since July.

Denise Beery for Secretary & Treasurer.

Alex Vogel??? Vice President Jordan Irwin for President???

Uniforms- Capt. Beery has spent significant time researching new uniforms and class A's. All hats will stay here as we do not have enough for the whole Dept. The Officers are working towards the whole department looking uniform and professional. He has requested that no one buy any new uniforms as the new uniform policy will be put into effect March 2015. He is requesting the Assoc. pay for new patches for the class A's. Roughly \$300.00 Motion to discuss patch purchase. D. Beery & Krile. Motion carried.

Jessica Dryden's father has 2 dryers for sale. We were going to ask the association to purchase a new dryer but Dryden has said "it's been taken care of". They will arrange a time to bring the dryer here and install.

Good of the Department

K. Krile has been working on "cheat sheets" for both medic's on Ebola, infectious disease and pediatric runs. If we get a run stating from the Sheriff's Office of a "fortified precaution" run, only one person is to be in contact with patient. The driver is not to come in contact with patient. We are to contact our Officer's, and they will be available to assist us with the run.

Chief Duval & Assistant Chief Irwin would like to thank all of those who participated with the "Fill the Boot" for MDA. He also asked the next time we decide to participate in something like "Fill the Boot" that we run it passed the Trustees first. Wells, Joiner, Seager, S. Fetty, Stevenson, J. Irwin.

Capt. Campbell & Lt. Kunkler will be attending a class in Wooster on "Oil Rig Fires". Assistant Chief Irwin would like to see at least 2 people attend this class per year.

Meeting adjourned 2100hrs.
