Reading of Previous Minutes- Motion to accept- Alex Vogel, 2nd- Kristen Krile,
vote- motion carried with amendment noted in previous minutes.

Treasurers' Report- Checking- \$2158.76 Savings- \$2283.80
Statements passed around. Motion to accept- Alex Vogel, 2nd- Will Duvall, Vote- carried.

Committees- Fundraising breakfast brought in \$337 of donations. \$50.03 was paid to Bowers
for food supplies with the \$.03 donated by Jordan Irwin and \$50 from the money raised.

Net \$287.00

Fish fry was cancelled for May 2nd, due to lack of sufficient advertising and available help.

Old Business- No old business discussed.

New Business- Discussion on Association possibly dissolving. Pros and Cons were weighed.

Concerns were the continuation of CPR certification classes and fire prevention.

The association had taken on the responsibility of purchasing CPR class supplies. It was
agreed that it isn't a necessity, just something that is nice for a dept. to provide. But along
with fire prevention, the township's fire levy does not provide for those services. The dept.
can obtain fire prevention supplies from the State Fire Marshal's office, but it hasn't been
much in the past. The common consensus was that these two services should not fall on the
association's shoulders and were not enough to keep the association alive.

Good of the Association-

W. Duvall- "Disband, spend the money on the big picture. Leave equipment purchases to
the dept's equipment fund."

J. Walton- agrees with Duvall

K. Fetty- agrees with Duvall

K. Krile- agrees with Duvall

B. Myers- supports the association in whatever we do.

J. Irwin- agrees with Duvall

T. Beery- Left the meeting

Association decided to come up with a list of purchase requests over the next month to be
voted upon at the next meeting. A list was started. Members will also research how to
legally dissolve.

Adjourn @ 2120 Motion- Kristen Fetty, 2nd- Kristen Krile, Vote- carried.

Respectfully submitted by
Jordan Irwin, President
